

COMMUNITY CLUB ENDS ITS SEASON

Luncheon, Followed by Reports and Program, Is Last Event.

JUNIORS ENTERTAINED

On Tuesday, May 15, at 1 o'clock in the afternoon, over a 100 Women's Community Club members sat down to enjoy the closing luncheon prepared and served by the hospitality committee, of which Mrs. J. Darville is chairman. New linen cloths bought by the same committee were used for the first time. The flowers were pale yellow and deep blue, arranged in deep blue bowls set between silver candlesticks. Tapers and tiny baskets were of pale yellow.

After the luncheon Mrs. C. Arley Farmer gave a brief resume of her year in office and then followed somewhat detailed reports by officers of the club, and of the co-operation and by chairmen of standing committees. Outstanding events of the year were participation in the Fireman's Carnival, lighting the Christmas tree, broadcasting a program from WFI and assisting in the Little Garden Day Sale for the Main Line Federation of Churches. A substantial sum was given the library, a sum was sent to the scholarship fund for a Philadelphia girl at college; money, clothing and food were given to the needy at home and away. Music, art and education have been featured in club programs and classes. Good citizenship has been stressed as well as home economics, dressmaking, diet and interior decoration.

Mrs. Eberhardt Mueller gave an original skit, "Club Officers as We See Them," impersonating Mrs. Farmer, telling jokes and stories about various officers and committee chairmen even using parodies of popular songs to characterize some of her victims.

About 20 members promised to attend the County Convention at Barren Hill, May 17. Two delegates were elected to the State Convention to be held in Lancaster in October—Mrs. Darville and Mrs. Gill, also alternates—Mrs. Staples and Mrs. Fenno.

CONTINUED ON THE EIGHTH PAGE

APPEALS TO COMMISSION

A. E. Wohler Protests Misuse of Montgomery Avenue.

Two complaints from Narberth community residents living in Lower Merion were registered at the meeting of the Township Commission Wednesday night.

The first of these was a communication from Percival Roberts of Peshurst Farm, protesting the condition of the township dump at West Manayunk. A committee was appointed to take up the problem.

Conditions at the township dump were made by Chairman Charles Seidel, of the Highway Committee, to whom Mr. Roberts' complaint had been referred at the Commission's April meeting. Dr. Seidel suggested a charge for private individuals' use of the dump, employment of a competent superintendent, building of a culvert over a creek, and several minor improvements.

tween all Saints Church, at Wynnewood avenue, and the Friends' Meeting House, Narberth. He was assured that the police are planning a drive against all speeders.

MRS. MARY HAYWOOD NIXON

Funeral services were held Thursday from the undertaking establishment of Oliver Bair at 1820 Chestnut street for Mrs. Mary Haywood Nixon, of 7 Iona avenue, Narberth, who died Monday night at the Hahnemann Hospital, following an illness of several weeks. She was the sister of Charles Haywood, of Narberth.

Mrs. Nixon, who was 43, was the daughter of the late Mr. and Mrs. Joseph Haywood, of Cynwyd. She was a member of St. John's Church, Cynwyd. A husband, David Gray Nixon, who is connected with the White Truck Corporation, and two sons, Joseph H., 16, and David G., Jr., 10, survive. Interment was private.

MILLER RESIGNS IN POLICE SHAKE-UP

Clarence A. Duke Named for Vacancy by Township Board.

PROMOTED FROM RANKS

Acceptance of the resignation of Lieutenant Albert Miller from the Lower Merion police force, effective May 31, and the appointment of Clarence A. Duke, of Ardmore, as his successor featured the meeting of the Lower Merion Commission held Wednesday night at the township building in Ardmore. Duke, a private on the force, was promoted over the heads of four sergeants.

The vote by the commissioners was in confirmation of action taken last Wednesday night by the police committee at its meeting. There were two resolutions, one accepting the resignation of Lieutenant Miller; the other appointing Officer Duke to the vacant post. Both were offered out by Commissioner A. D. Warnock, chairman of the police committee.

It became known last week following the session of the police board that Miller, who had served for years as second lieutenant, had resigned. The information came as a surprise to the department, and conjectures began as to whom might be chosen to succeed him. It was at first declared that the post might be left open for the time being, but early this week rumors arose hinting that a successor might be chosen from the ranks. These were officially confirmed by the commission at its session.

Lieutenant-elect Duke resides in Ardmore and before his promotion had a traffic beat there. He has been on the force for slightly over two years and came to the department after 18 years in the navy. He will be third in command of the Lower Merion police, preceded by Superintendent Smith and Lieutenant Mullin.

HOLD LAST MEETING

Sub-Juniors Close Season With Election and Program.

The Sub-Junior Community Club of Narberth held its last meeting for this year at the home of Miss Julia Robinson last Monday evening. There was election of new officers and a very delightful program.

The new officers are: Miss Elizabeth Venneman, president; Miss Betty Otto, vice president; Miss Carrie Louise Douglass, recording secretary; Miss Evelyn Jefferis, corresponding secretary, and Miss Julia Robinson, treasurer. Mrs. H. A. Jacobs, former president of the Senior Club and now chairman of all Junior organizations in this county, discussed the successful year the Sub-Juniors had had under the able direction of Mrs. Parker Miller.

Then Miss Elizabeth Terry played several selections on the piano and Miss Virginia Burgstesser gave three recitations which were enjoyed by all. At the end of the program, refreshments were served and the meeting was adjourned.

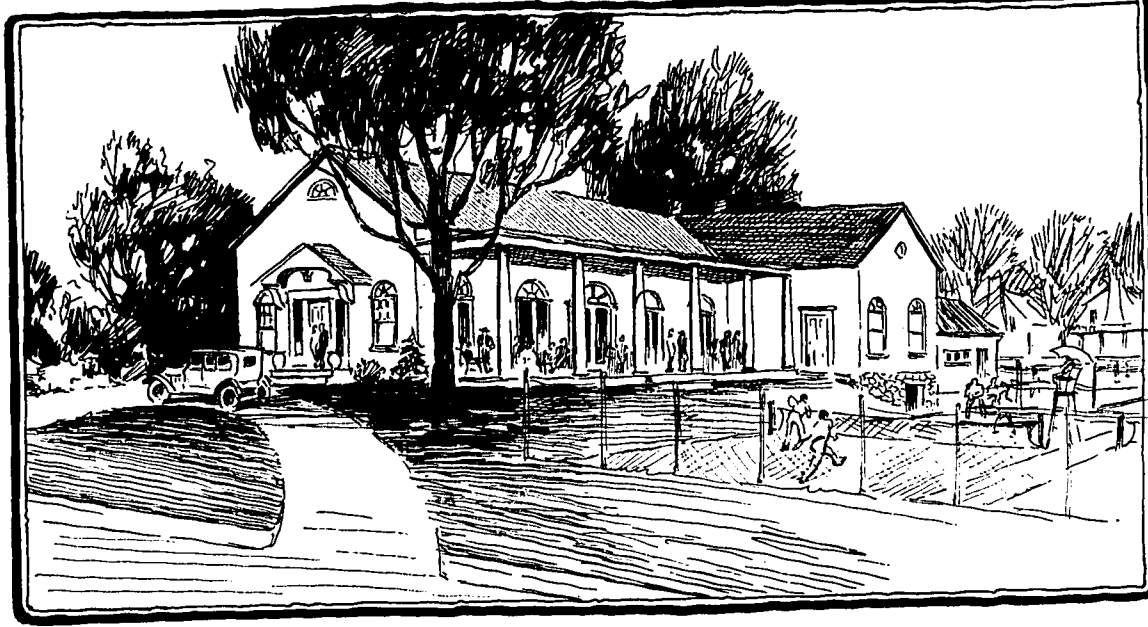

NO GOLF COURSE

It was discovered by the Borough authorities last week that the Community Playground has been used of late as a practice ground for golfers. While this may be salutary for their game and their physical welfare it is decidedly not so for baby carriages and the windows of the Community Building. The driving of golf balls on the playground, therefore, is prohibited by the Recreation Board and the Burgess has deputized the janitor at the Community Building to act for him in case of further violations.

BUY IN NARBERTH

Poppy Week is here. The American Legion and the Legion Auxiliary are co-operating in the sale of the "Legion Poppy" this year and hope that all residents of the Borough will buy a poppy in Narberth, and wear it. The poppies have all been made by disabled veterans in the various veterans' hospitals. The money received by the Legion and Auxiliary from the poppy sale will all be used in welfare work.

Proposed New Building for Narberth Tennis Club

An architect's sketch of the proposed new home of the Narberth Tennis Association on their grounds at Haverford and Montgomery avenues. The building will be a modern two-story affair with a dance hall, card and billiard rooms, bowling alleys, squash and handball courts, lockers and kitchen. This will all be accomplished on membership dues of not over \$50.

Ended With a Bang!

The Library's campaign to raise \$500 for additional shelves, furniture and equipment crashed way over the top this week when contributions of \$25 came in from Mrs. Elizabeth Wohler, Master Paul and Misses Patience and Margaret Helga Wohler. Only \$36 more was needed and that \$100 from the Wohler family would have been more than sufficient even if Fire Chief Charles V. Noel had not sent in \$20 and the Kuneki Camp Fire Girls, with Adele Augst as treasurer, had not sent in \$10. As it is, the Library asked for \$500 and has received \$594. The excess will be retained for the purchase of other equipment as future growth may dictate. In connection with the close of this campaign, it is proper to state that there was no personal canvassing for contributions. The generous response from individuals, from families and from organizations came solely as a result of the printed appeals in "Our Town" which thereby itself gave the Library highly valuable assistance that is hereby gratefully acknowledged.

THE FUND COMMITTEE.

LEGION-AIR

Prolific Post Press Agent Proffers Patriotic Plans.

Patriotism is a funny thing! Just about the time you decide what it is for you, someone else comes along and tells you you're all wrong.

"Now listen to me, fellow, patriotism is—"

Well, he fills in the blank with anything from brass bands and parades to speeches and "the spirit of democracy." And you take your choice, or you do not!

Whatever you and your friend decide, bring him along with you on Wednesday, May 30—there will be something for each of you.

If it's parades—Narberth's best will meet at the fire house at 2.30 P. M. and march over the traditional route: Haverford, Essex, Price, Narberth, Chestnut, Wynnewood road, Windsor to the Community Grounds.

If it's speeches—Lieutenant Frank Schoble, Jr., will be there to give an address. Lieutenant Schoble is well known to many for his remarkable achievements in the face of serious handicaps. He was blinded during the war, yet has graduated from the University of Pennsylvania and is now a very successful business man in Philadelphia.

He is repeatedly sought after for his talks on patriotism.

If it's bands—well, wait until you hear ours!

If it's support—this is Poppy week!

If it's "the spirit of democracy"—here is your opportunity to show yours!

More next week—with the permission and indulgence of "Our Town."

G. B. S. MOVES

Due to the alterations to the fire house, the Superintendent of Public Works has set up a temporary office at 104 Forrest avenue. This is across the street from the fire house and will be occupied by Mr. Supplee until the construction work is finished.

TO HOLD BERRY FESTIVAL

The Ladies' Aid Society of the Narberth Methodist Episcopal Church will hold its annual strawberry festival on the church lawn Friday, June 1. Tables will be ready at 6.30 P. M. There will be candy and miscellaneous articles for sale and also something for the children.

TENNIS CLUB TO LAUNCH CAMPAIGN

New Building With Year-Round Facilities Is Aim of Club.

TO START THIS WEEK

This week sees the inception of a campaign by the Narberth Tennis Club whose goal is the modern two-story club house pictured above and a greatly increased membership. The club intends to make the building available for all-year-round use for athletic and social purposes. It will include a dance and recreation hall, card, pool and billiard rooms, lockers and kitchen. There will also be included according to preference either bowling alleys, handball or squash courts. All of these sports will eventually be available in addition to the tennis courts.

All of this is to be accomplished on membership dues which will range somewhere between \$40 and \$50 a year. The initiation fee will be kept down to \$10 until a sufficient membership is secured. The dues will be payable only on the completion of the new club house. A limited number of tennis memberships are now available.

At a meeting of the membership committee on Thursday night, Edwin P. Dold, chairman, appointed captains of teams and assigned territory to them and their co-workers. The plan is to establish contact with all residents of Narberth and allow them to get in personal touch with members of the club.

The work of re-grading the lower courts of the club is proceeding rapidly, and when completed the club will be the proud possessor of some of the finest clay courts in this part of the country. The work is being done by Moses Lane & Sons, experts in tennis court construction.

TO GIVE TWO PLAYS

The young people of the Holy Trinity Lutheran Church will give two plays next Friday night in the basement of the church. The purpose of the entertainment is to raise funds for the purchase of vestments for the choir.

The first play will be "Dinner at Six," for which the cast will include Alma Weigel, Freda Senn, Martha Maxwell, Erna Kaehler, William Senn and Raymond Maxwell.

The second offering will be "Young Doctor Devine." In this will be Dorothy Jones, Julia Robinson, Jane Murray, Martha Maxwell, Elizabeth Seaboldt and Mrs. Charles Clipsham.

PLAN LUNCHEON

The Evangel Circle of King's Daughters will hold the annual luncheon for Holiday House of Valley Forge on Wednesday, June 6, at the Home for the Aged, 10 Sabine avenue. Luncheon tickets may be procured from any of the members or from Mrs. J. P. Witherow, treasurer, Grove place and Rockland road, Narberth, or at the Home the day of the luncheon. Donations of money or canned goods will be gratefully received.

BORO BALL CLUB LOSES OPENER 8-4

Jewish World Club Turns the Trick; Dunkirk Wins on Wednesday.

ROXBOROUGH TODAY

Independent baseball made an inauspicious start last Saturday on the Community playground when the Jewish World Club of Philadelphia administered an 8-4 defeat to the Narberth Club. The sixth inning proved to be disastrous for the boroughites as their opponents bunched their hits to collect seven runs. Babb, Narberth pitcher, was retired in this inning in favor of V. Fleck. The number of hits made by both teams was the same, 11, but J. Deegan, Jewish World hurler, kept Narberth clouts scattered while the local moundmen were not so fortunate.

In the first of the twilight games last Wednesday Narberth lost to Dunkirk by the score of 8-3. Six hits in a row off Walter Masters in the seventh won the game for Dunkirk. "Mike" Mulligan, with a triple and a single, starred at bat for the home club.

This afternoon the borough nine will oppose Roxborough on the playground in the second regular game of the season, and the Twentieth Ward Club in a twilight game Wednesday, the 23d.

TO ELECT OFFICERS

Mother's Council Holds Election at Regular Meeting.

The Mother's Council will hold its next regular meeting on Monday evening, May 21, at 8 o'clock, at which officers will be elected for the coming year. All members are requested to be present to vote for officers and to hear the report of work of the past year. The summer round-up campaign will be discussed by Mrs. Van Auker and Miss Kevorkian. Dr. Sloan, president of the Narberth Board of Health, will discuss "How and Why of Quarantine." This will be of interest to all parents as we have had many cases of contagious diseases this winter.

After the program a reception will be held for all the old and new officers and all members and visitors at the meeting.

On Thursday afternoon, May 24, James Heberling will talk on "Thinking with the Child" at the Narberth school at 3 o'clock. Mr. Heberling was for several years head of Carter Junior Republic which was converted into the Carter Child Helping Foundation of which he is now head at the University of Pennsylvania. Anyone interested in hearing Mr. Heberling is welcome at the school on Wednesday.

BENEFIT TUESDAY

The much-heralded movie, "Sorrel and Son," will be the attraction at the Narberth Theater at a benefit held Tuesday, May 22, for the Narberth Branch of the Needlework Guild of America. Tickets may be obtained at Crane's or Davis' stores or from any member of the Guild. The Needlework Guild is devoted entirely to charitable work, a large share of which consists in distributing clothing where it is really needed. All of the clothing is new, either made by the members or bought.

LIBRARIES HOLD ALL-DAY SESSION

Main Line Associations in District Meeting at Bryn Mawr.

NEXT ONE AT CYNWYD

Main Line public libraries at Bala-Cynwyd, Narberth, Ardmore and Bryn Mawr were represented at the district libraries meeting that was held Wednesday afternoon at the Ludington Memorial Library in Bryn Mawr. It was an all-day meeting and luncheon was served by the Woman's Club of Bryn Mawr in the community building adjacent the library.

The meeting began at 10.15 A. M., and first on the program was Miss Lois A. Read, librarian of the Bryn Mawr College Library, who told briefly the history of the library at Bryn Mawr. The building, which is a year and a half old, has space for 10,000 books on the main floor, and accommodation for 20,000 more in the basement.

Miss Emma R. Engle, children's librarian of the Philadelphia Free Library, deplored the great number of books published now for children, which she thinks are far too many, and in considering the purpose of children's libraries she asked her listeners not to overlook "joy-reading" as many children read for dreams.

Miss Evelyn Matthews, of the library extension division of Pennsylvania, conducted a round table of library activities. The first subject considered was "How to get books returned that are overdue." This topic brought forth many suggestions and ran the gamut from post card notices to collection of the books by truant officers. Midway means included the assistance of Boy Scouts and janitors.

"The buying of reinforced bindings for children" and "How to keep readers of high school age from monopolizing the library" were the other topics discussed.

The afternoon session began with a talk by Miss Mary E. Reutter, of the Pottstown library, on the advantages of a county library. She was followed by Frederic Goddard, director of the State Library, whose subject was "Pennsylvania Authors."

Miss Helen M. Harris, of Drexel Institute, suggested some practical ways of bringing about more co-operation between teachers and the libraries.

The next meeting of the district libraries will be held in the Bala-Cynwyd Memorial Library some time in November. The last time that the Bala-Cynwyd Library Association entertained these libraries was in 1918 and at that time the meeting was held in the lecture room of the Presbyterian church, the ladies of that church serving a luncheon. There were present 60 persons, 30 of whom were Bala-Cynwyd residents and most of them Bala-Cynwyd Woman Club members. Eighteen libraries were represented. It will be interesting to compare these figures with those of the meeting to be held next November.

He Talked

Edward W. Ehmann, assistant manager of the Main Line Division of the Philadelphia Suburban-Coun- ties Gas and Electric Company, was a speaker Tuesday at the weekly luncheon of the Bala-Cynwyd-Narberth Rotary Club. He deplored attempts at government ownership of public utilities and told of the re- ation of gas and electric companies to the communities they serve. He is a member of the Main Line Ki- wanis Club.

SUNDAY SCHOOLS TO MEET

All Main Line Episcopal Churches Will Be Represented at Monday's Session.

An important session of the Main Line Sunday School Association will be held at Old St. David's Episcopal Church on Monday at 6 P. M. After a business meeting supper will be served.

There will be a devotional service at 7.30 and Dr. Churchill Gibson, new pastor of St. Mary's, Ardmore, will speak on the "Personal Life of the Teacher." At 8 P. M. Rev. F. E. Seymour, director of Religious Education in the Diocese of Pennsylvania, will conduct a discussion on plans for next year when certain parishes will tell of their plans and hopes. Miss Lily Cheston, member of the principal board and head of missionary education, will speak on "Summer Conferences."

All the church schools of the Episcopal churches along the Main Line and vicinity will be represented by teachers.

JOHNSON MADE SECRETARY

Charles Johnson, Montgomery county Republican leader and Secretary of the Commonwealth, was elected secretary of the Republican State Committee at its organization meeting in Philadelphia Saturday. Miss Nancy Highley, of Norristown, who was elected an alternate delegate to the national convention at Kansas City in the recent primary, was made assistant secretary.

WILL SHOW FOLK LORE

Picturesque details are planned for the International Cross Roads Fete to be given commencing 2.30 P. M. tomorrow at the War Tribute House, Merion, under direction of the International Students of Philadelphia. It is expected that 450 students from 56 countries will participate in characteristic folk songs, dances and demonstrations.

HIGHWAY REPORT

New Gas Main and Cleaning of Haverford Dealt With.

The report of the Highway and Sewer Committee of Council as read at the last meeting of that body on May 14, shows that a permit has been granted the Gas Company for a main to go under Sabine avenue. A public hearing was held by the committee and the property owners petitioned the committee to have the main laid under the street. The borough will collect a good sized fee from the Gas Company for the work.

The report also deals with the problem of cleaning Haverford avenue. The Board of Trade brought the matter to the attention of the committee and the committee pointed out that the conditions deplored were largely the result of merchants sweeping out and unloading merchandise after the street had been cleaned early in the morning. The committee recommended that reasonable action be taken if store owners co-operate by removing debris from the rear of some places of business.

The summer collection schedule is again listed. The complete report follows:

"On April 20, your committee held a public hearing in order to ascertain the wishes of the property owners on Sabine avenue as to whether the new gas main should be located under the sidewalk or under the cartway. This hearing revealed that the property owners were unanimously opposed to having the main go under the sidewalk. They deposited with your committee a signed petition to that effect. Your committee, therefore, instructed the Superintendent of Public Works to issue a permit for the main to go under the cartway, provided the Gas Company should give the borough an indemnity bond, guaranteeing to conduct all details of this work in a manner satisfactory to this committee including the restoration to their original condition of all streets or sidewalks opened by them. Such a bond has been provided, approved by the Borough Solicitor and is transmitted for the borough records with this report. The fee which the Gas Company will pay the borough for this permit will amount to about \$5600.

"This committee has received a verbal request from a representative of the Narberth Board of Trade that greater efforts should be made to clean the Haverford avenue pavement in the business section. Without desiring to evade any clear responsibility for such work, your committee took the opportunity to point out to the representative of the Board of Trade that the littered appearance of Haverford avenue is largely caused by the merchants who sweep their store and sidewalk debris into the gutters after the street has been cleaned early in the morning and also by the fact that several of the merchants use the public sidewalk as a place for uncrating merchandise. Discussion also brought out the fact that at the rear of some of the stores, especially those operated by chain syndicates, rubbish of all kinds is permitted to accumulate in a manner which has required admonitions from both the fire chief and the Board of Health. Your committee, therefore, suggested that if the merchants would of their own initiative formulate a program for the better disposal of the debris which is clearly subject to their private and personal jurisdiction and present such a program to this committee, we would in turn recommend that Council should take reasonable additional steps for cleaning the Haverford avenue pavements, if necessary. We recommend in this connection that it be recorded as the opinion of Council that the Burgess should employ the police power drastically, if necessary, in order to impress the necessity of better conditions upon those merchants who have failed to respond to the more courteous methods which the Burgess has previously employed.

"During the past month, it was decided by the Burgess and this committee that the winter collection of ashes should cease on May 12; that the week of May 14 should be Clean-up Week during which time the borough men and trucks would operate on the winter schedule to carry away all kinds of debris and that thereafter the summer collection schedule would be effective in the following weeks: June 4-9, July 2-7, August 6-11, September 4-8. The winter collection schedule will be resumed on September 24.

"During April trouble developed with the main sewer on Grayling avenue between Price and Woodbine. It was caused by willow roots. As excavation was necessary to locate and correct the trouble, we decided to extend the Grayling avenue sewer northerly from its old terminus about 50 feet to connect in a manhole with the new sewer which was laid on Price avenue three years ago. This will cause the sewage in the northerly part of Grayling avenue to flow north into Price avenue relieving congestion and improving the service.

"We recommend that the pavement on Windsor avenue be given a new top dressing of one-quarter-inch stone. We also recommend that a new concrete gutter be installed at the corner of Forest and Haverford avenues in place of the present brick gutter at a total cost of \$175.

"During the month of April we purchased Buckite at a total cost of \$40.95 and used it for repairing ditches. Labor expenses during the month were as follows: For collecting 874 cubic yards of ashes, \$829.88; for street cleaning, \$219.92; for street maintenance \$16.20; for operating the roller when rented, \$4; making a total labor expenditure, \$1070. During April, two permits were issued for opening the public highways and the fees therefrom amounted to \$46. In addition, two permits were issued for depositing material on the public highways and the fees therefrom amounted to \$4. The total amount of these four permits (\$50) was collected, turned over to the Borough Treasurer and his receipt was taken therefor."

A BUILDING is not repaired by blowing it up; and a man is not made by blowing in all he earns.

The Narberth National Bank

Open Friday Evenings from 7 until 9 o'Clock

JUST DIFFERENT

In the earlier days of retail lumbering and building of houses, the usual assortment of native White Pine, Hemlock, Oak and Chestnut covered practically all the lumber requirements.

Today—with the desire of home lovers to get real beauty of design and lasting qualities in materials, it requires selection from an almost unlimited number of woods.

Some serve better for exterior work, and others for interior. We have them for all purposes and from all parts of the country.

REAL SOFT WHITE PINE—

from Pennsylvania, Canada and Idaho—the kind that responds to the touch. Use it for Window Screens and Trellis.

LONG LEAF YELLOW PINE—

from Florida and Georgia—it's pitch and slow growth make it a good wood for Arbor and Pergola work where it comes in contact with the ground.

CYPRESS—

from the Carolinas and the Gulf States—called "The Wood Eternal," one of the best for Flower Boxes, and Benches in greenhouses. General out-door uses.

RED CEDAR SHINGLES—

protect you from the elements and travel all the way from the State of Washington to do it.

Our business—it's true—is to sell Lumber, but more than that, is to recommend and stand back of the kind and quality sold you.

ADDITIONAL BUS SERVICE

New Route

Effective March 11, 1928

The Montgomery Bus Company, Inc., operators of the Philadelphia Suburban Transit Company, announce an additional, directly communicating line between Bryn Mawr, Haverford, Ardmore and 63d Street Terminus.

The new line will operate from Morris and Montgomery avenues, Bryn Mawr, east on Montgomery avenue to Wynnewood avenue, to City Line, to 63d street, to present terminus, returning over the same route.

Leaving Time from each end—5.55, 6.25 A. M. and every half hour until 11.15 P. M. (from Bryn Mawr) and 12.25 A. M. (from Philadelphia).

OTHER ROUTES

Lancaster Avenue Line—From Philadelphia to Rosemont.

Strafford Line—From Rosemont to Garrett Hill.

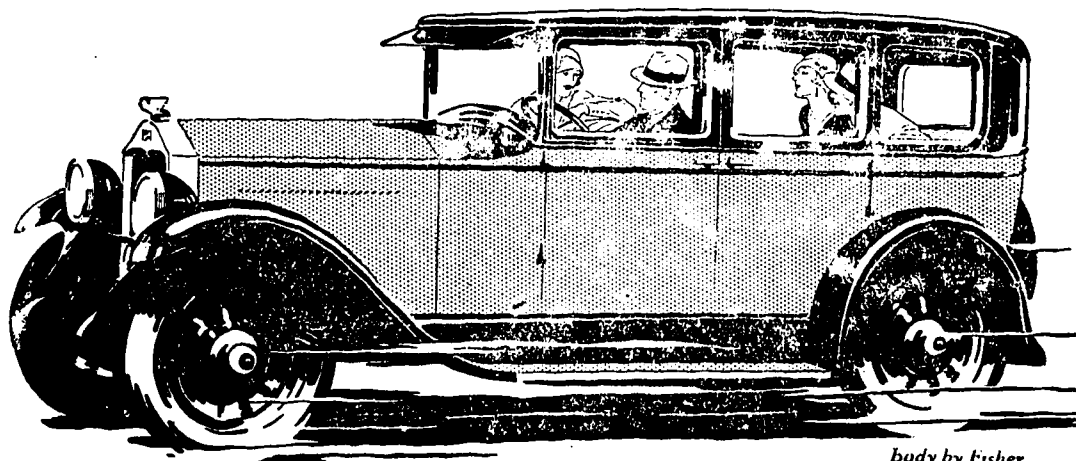

Gladwyne Line—From Montgomery and Anderson avenues, Ardmore, to Gladwyne.

Montgomery Avenue Line—From Montgomery and Anderson avenues, Ardmore, to Philadelphia via Narberth.

Short Line—From 54th and City Line to Narberth via Bala-Cynwyd.

The patrons of the line will receive our best efforts in rendering M. B. C. standard service.

4 GREAT PROOFS OF BUICK SUPERIORITY

No. 2 Five years of service is only a starting point for BUICK—Skilled engineering and rugged construction make it the most durable of motor cars!

Keep in mind, when buying your new car, that more than three-quarters of all the Buick cars produced in the last twenty-five years are still serving their owners.

Buick endures—Buick stays young—Buick stands up and gives its best over a longer period than any other car—because it is endowed with an extra-rugged double-drop frame—Buick's world-famous Sealed Chassis and Triple-Sealed Engine—and the most nearly perfect oiling system ever developed—

You'll prefer Buick because it leads in beauty and luxury; and you'll prefer it, too, because it is the most durable of cars—and therefore the most paying investment.

All Buick models have Lovejoy Hydraulic shock absorbers, front and rear, as standard equipment

SEDANS \$1195 to \$1995

COUPES \$1195 to \$1850

SPORT MODELS \$1195 to \$1525

All prices f.o.b. Flint, Mich., government tax to be added. T. C. M. A. C. finance plan, the most desirable, is available.

A Worthy Project

This week sees the publication of the Narberth Tennis Association's plans for the expansion of its membership and a new clubhouse. The proposed new building would make it a year-round club with bowling, squash or handball for those athletically inclined during the winter months, and noteworthy facilities for social life; namely, a large hall for dances, card and billiard rooms.

It would seem that there is plenty of room in the borough for such an enterprise. While it would fill a place in the community life that has been vacant since the demise of the Y. M. C. A., it would be happily free from the elements that brought about the Y's downfall. There is at present a considerable dearth of proper recreational facilities in Narberth. Bowling, for instance, is a popular winter sport as the eight teams in the interchurch leagues testify, but how long it will continue to flourish with only the overworked alleys of the Baptist church to use is another question.

For several years past the Pennsylvania Clay Court Championship has been held on the courts of the Narberth Tennis Club, attracting many fine players from this part of the country. The tournament has been awarded to Narberth because of its excellent courts. With a new modern building, offering vastly increased year-round facilities for social and athletic pursuits, it becomes an organization worthy of everyone's consideration.

Notify the Police

In continental countries the police have a record of every movement of every person within their district. If you put up at an inn you must first register with the prefect by filling out a blank provided by your landlord; a similar procedure takes place in private homes where guests are to be entertained over a period of time. Such accurate and fresh information is a real deterrent to crime and prevents the presence of suspicious characters within each district. Such a system, though irksome, would be a blessing to us.

At this time of year the more fortunate residents of Narberth begin to pack up and to think about the West, Europe, Ocean City, the Adirondacks and other pleasant places. Too often they leave their homes inadequately protected in their absence. Some have watchmen, and some houses are kept occupied all season by relatives or lessees, but the closed house is the danger spot to the owner.

Last year Superintendent Smith, of the Lower Merion police, made two suggestions to local residents. The first was that they notify the police about their summer plans, giving them the time of departure and the approximate time of return and their mail and cable addresses. The second warning was about notes in society columns concerning summer departure in which the summer occupant of the house should be given.

The reason for both of these suggestions is self-evident. The thief prefers to work uninterrupted and vacant houses tell no tales immediately, no alarms are quickly given, and no prompt search is made for the culprit. However, if the officer on the beat knows that the house is unoccupied he will guard it more closely and frequently examine doors and windows to prevent or detect any unwelcome intrusion.

In the case of social notes, it is not a taint of vulgar commercialism to add the line "The residence has been leased for the summer." If desirable the name of the lessee can be added. If it is possible to have some friend or relative occupy a house in the summer that affords great protection. The average sneak-thief is a coward and will not enter an occupied house.

Give the Lower Merion police a reasonable chance to keep their territories clear of these petty thieves this summer by co-operating with them in furnishing them with complete information about your plans.

ANENT BROKEN BOTTLES

To the Editor of "Our Town."

Dear Sir:
I quote below exchange of correspondence between the writer and Mr. George B. Supplee, superintendent of public works, borough of Narberth, Pa., same being self-explanatory:
May 8, 1928.

Dear Mr. Supplee:

I am addressing this communication to you as I am of the opinion that you are the man who could correct the practice referred to below.

A very dangerous practice is becoming more prevalent in Narberth, that of milkmen leaving empty glass milk and cream bottles along the curb line of streets. As much a target cannot be passed up by any live boy, the re-

sult is broken glass along the street gutters and the edges of the sidewalks. When this stage is reached it means cut and punctured automobile tires.

I wish to bring your attention to one specific case, on the southeast corner of Essex avenue and Chestnut avenue, where broken glass has just been lying for several days.

Trusting that you will give this matter your prompt attention, I am,
May 9, 1928.

Dear Sir:

We are having a great deal of trouble with the milkmen leaving bottles on the public highway and vacant lots.

We have taken the matter up with the different milk supply houses and they assure us that they will do all in their power to abate the nuisance. They have gone so far as to state that they will discharge the driver if we can catch him.

If at any time you see a driver throwing bottles on the highway or vacant lots, I will appreciate it if you will give me the number of the wagon.

GEORGE B. SUPPLEE.

Superintendent of Public Works.
It, therefore, behooves all residents of Narberth to co-operate with Mr. Supplee to minimize, or better still, absolutely stop this dangerous practice of milkmen leaving glass bottles lying around the borough.

J. W. DARVILLE.

The FIRESIDE

Mr. and Mrs. John I. Conway, of 7 Wynnewood Court, entertained at bridge recently at their home, their guests being Mr. and Mrs. Joseph Simons, Mrs. Paul M. Maston, Mr. and Mrs. Samuel M. Russell, Mr. and Mrs. Charles Slaw, Miss Mary Lentz and Mr. and Mrs. Edward T. Frankentfield.

Mr. and Mrs. K. W. McHose, of Narbrook Park, will return on the SS. Leviathan early next week from several weeks' tour of Europe.

Mr. and Mrs. Clarence Masters, of Hansell road, are receiving congratulations on the birth of a son, Richard William, on Sunday, May 6.

Mr. and Mrs. Arthur C. Compton, of Woodbine avenue, entertained at dinner Saturday at their home for friends from Germantown, who included Mr. and Mrs. Harry Folwell, Dr. and Mrs. John Colahan and Mr. and Mrs. Edward C. Johnson.

Miss Jane Morris, who moved into her new home at 518 Essex avenue recently, entertained at a dinner party followed by bridge. Her guests were Mrs. William J. Butler, Mrs. J. A. Borden, Mrs. H. A. Smith, Mrs. F. W. E. Stedem, Miss Jane Morris, Mrs. J. A. Miller, Mrs. Fred Hipkiss, Miss A. Fitzpatrick, Mrs. J. J. Cabrey, Mrs. R. T. McSorley and Miss Mary Morris.

Mr. and Mrs. Warren Tyson and Miss June Tyson, of 414 Haverford avenue, spent last week-end in Scranton, Pa.

Miss Louise Jones entertained the members of her bridge club Wednesday at her home on South Narberth avenue. Her guests were the Misses Martha Sunderland, Eleanor Knauer, Betty Purse, Helen Caldwell, Marian Bottoms, Virginia Smith and "Babe" Beatty.

Mrs. J. A. Miller, of Forrest avenue, entertained recently at a luncheon and bridge at her home.

Miss Vera Bailey, of Narbrook Park, will return shortly from an extended tour abroad.

Miss Constance Diamond, of Woodside avenue, was among the graduates from St. Joseph's Hospital, Tuesday of this week. The exercises were held in the Church of SS. Peter and Paul, in Philadelphia.

Last evening about 30 members of the Christian Endeavor Society of the Presbyterian Church motored to Valley Forge for a hot dog roast.

Miss Dorothy Williamson, of 17 Woodbine avenue, a student at Drexel Institute, Philadelphia, was an active participant in the spring festival of that institution. She took the part of Peasblossom in a Midsummer Night's Dream, which was given as a climax to the three-day festivities.

Joseph W. Prager, of 112 Essex avenue, a student at the Carnegie Institute of Technology, has been "called" to Pi Delta Epsilon, men's journalistic honorary fraternity, which bases its selection upon outstanding services in activities. Prager is a junior in the Department of Commercial Engineering, College of Engineering.

HONOR L. M. GRAD.

Walter W. Slocum, son of Mr. and Mrs. S. E. Slocum, 244 East Montgomery pike, Ardmore, was recently elected by a Faculty Committee as the outstanding senior of the engineering and architectural schools of the University of Pennsylvania. With the distinction goes a \$20 cash award. Slocum is a graduate of the Lower Merion High School.

about the Garden

The Delphinium—America's Favorite Perennial.

Suppose you could have in your garden a plant that was perfectly hardy and frost proof, a plant that would increase in the quantity of bloom each year, a plant that would bloom in mid-June with flower spikes two to three feet long on a plant that stands six feet high.

Color? Ah! Here lies the charm of the hybrid delphinium, its color is blue, not just one shade of blue but any shade or combination of blues with their companion colors, the mauves, lavenders, pinks, purples and even sometimes white.

The plant that carries most beauty of color and form, more statuesque height for garden effect and is reasonable in first cost has the great advantage of blooming successively throughout the summer at intervals of from four to six weeks. Your peony or iris blooms in May or June and rests for 12 months while the delphinium is an ever-bloomer and only stops for hard frost.

Delphiniums have been grown in England for many years and the English gardener thinks nothing of paying from \$5 to \$25 for a plant of a fine new variety, but in our country the delphinium has not been grown successfully in quantities, only through a lack of knowledge of its requirements and a lack of study of proper growing methods. The plant is subject to fungus diseases, just as the rose is, but come by providing proper growing conditions, in fact, it is very much easier to have a bed of healthy delphiniums than it is to have a few healthy roses.

Delphinium fanciers have proven to be rather thorough gardeners and during the last three years they have been exchanging notes and experiences all over the country, and have published in bulletin form complete information on the plant and its habits as well as carrying advertisements of those who offer plants and seeds.

This group of 200 professional and amateur delphinium growers have finally invited the amateur and professional gardeners of the country into the circle by organizing the American Delphinium Society. The organization will follow along the lines of other successful flower societies, such as the American Rose Society, the American Dahlia Society and others, and publish bulletins with all news and growing helps and conduct a questions and answers department in the bulletin for beginners. Work is also under way for test gardens or trial grounds, where new varieties and strains can be tested and reports published in the bulletins. Further information on the delphinium subject can be had by sending a note or card with your name and telephone number to

THE GARDEN EDITOR.
In care of this paper.

HARRIS MAKING GOOD

A local boy is making good at Lehigh University, according to a report in the "Brown and White," student paper of that institution.

Robert Harris, son of Mr. and Mrs. Jesse S. Harris, of Merion avenue, was the subject of the report, which follows:

"The Phi Club Cup, awarded each year to a freshman for excellence in athletics, scholarship and character, was presented to Robert Harris at the college meeting today.

Harris, who has already won numerals in football and basketball, is captain of the frosh baseball team, and has been elected secretary of his class for next year. He played football, baseball and basketball at Lower Merion High School, where he graduated last year.

"The cup which Harris received is awarded annually by Phi Club, sophomore honorary society, for excellence in athletics, scholarship and character. The purpose of the club is to encourage 'student-athletes,' men who can go out for sports and still stand high in their studies."

SUCCESSFUL IN FLORIDA

Clarence C. Nice, musical director, a former resident of Narberth, has made a success of his musical work in Florida, according to a report in the Orlando Morning Sentinel of recent date.

Mr. Nice directed a three-day festival held at Arlando. On the opening day every one of the 3300 seats was filled, says the paper, and many persons stood in the aisles.

Since becoming permanently established at Orlando, Mr. Nice has organized a symphony orchestra, and also a children's symphony orchestra. His inauguration of the Orange County Music Festival will now be an annual event. Mr. Nice also coaches advanced pupils in his own studio in operatic roles, and this summer is planning to take a small colony of pupils to the mountains of North Carolina for a six weeks' "master class."

YOUNG PEOPLE'S FELLOWSHIP

Tickets for the All Saints' Fellowship banquet are being sold by members of the Fellowship. Each member is expected to dispose of five tickets. The program last Sunday night consisted of piano numbers by Vernon Hammond.

Hon. Clinton N. Howard

Mr. Howard, "The Little Giant of the American Platform," who will speak in the meeting at the Presbyterian church tomorrow evening, (May 20) at 7.45 o'clock in defense of the Constitution of the United States of America. He is said to have addressed more people for the past quarter of a century than any other living man. Bryan called him the "Modern Apostle." His patriotic lecture, "The World on Fire," was heard by more than 2,000,000 people during the war. The Washington office of the National Red Cross wrote "Mr. Howard is positively the greatest speaker that we have ever heard. He will do more good than any other man in America." Mr. Howard's topic tomorrow evening is "The Rock of the American Republic." Come and bring all your friends.

MYERS NEW HEAD OF MERION CIVIC

J. S. W. Holton Retires After Three Years as President of Association.

J. S. W. Holton, for three years president of the Merion Civic Association, withdrew as head of that organization at its annual meeting in the Merion Tribute House Tuesday night and was succeeded by John Dashiell Myers, the youngest president in the 15-year history of the association. Mr. Myers headed the list of new officers submitted by a nominating committee and elected unanimously.

Another feature of the meeting was praise for the Bala-Cynwyd and Narberth fire companies that provide fire protection for Merion, which has no company of its own, and a plea that residents of the community support both companies further with individual contributions of their own. This recommendation was made in the annual report read by retiring President Holton, which included among other things a summary of road improvement work planned in the future under the direction of the association.

The meeting, called to order by the secretary, Mrs. Percy H. Matthes, was thrown open to nominations for a temporary chairman, and resulted in the selection of former president Edward W. Bok, as per annual custom. Mr. Bok, who had returned from a New York trip in order to attend the meeting, was praised by President Holton, who in seconding the nomination recalled the service of Mr. Bok to the Civic Association during the 11 years he was head of the organization.

Election of officers for the new year resulted in unanimous acceptance of the list of candidates named by the nominating committee headed by Edward Darden. This list included:

President, John D. Myers; vice presidents, Percival E. Foerderer, Clarence E. Hall, Thomas Shallcross, Jr.; treasurer, William H. Folwell; secretary, Mrs. P. E. Matthes.

Board of Directors: J. Harry Anderson, Mrs. T. Wood Andrews, T. Dun Belfield, D. Webster Bell, Edward W. Bok, Fred W. Brill, William J. Conlen, George W. Curran, Edward C. Darden, Henry Delaplaine, P. E. Foerderer, William H. Folwell, Clarence E. Hall, William H. Harman, J. S. W. Holton, Robert J. Hughes, Mrs. Harry B. Kohn, John McConaghy, Jr., Clarence A. Musselman, John D. Myers, Frank C. Pequinot, George F. Pettinos, William A. Powell, Thomas Shallcross, Jr., Dr. Edward A. Shumway, Dr. Charles R. Turner, Edward Wyckoff, Jr.

MADE T. B. DIRECTOR

Dr. C. Atwood Rose, 126 Athens avenue, Ardmore, was one of 15 directors elected for a two-year term at the seventh annual meeting of the Montgomery County Tuberculosis and Public Health Society held Monday in Norristown.

See No Stites Connection with Walzer's Rival Political Project

Plans for another Republican political organization whose aim, it is understood, is to rival the present Lower Merion and Narberth Republican Association, are being formed in Narberth by Magistrate Fred Walzer. Claims are already being made that 500 residents of the township and borough have been interested in the movement.

A meeting of the proposed club was to have been held last week and invitations to attend the session were said to have been extended personally by Squire Fred to a number of Republicans from the eastern end of the township. Little credence is given by political followers to the rumors which claim that 500 or anywhere near that number of persons, have already been interested in the organization.

While the reported attempt to establish a rival is not being taken seriously at the present time by the heads of the Lower Merion and Narberth Republican Association, it is, nevertheless, being watched to see if there is more backing to the thing than appears on the surface. Walzer is an old lieutenant of Fletcher W. Stites, and the former State Senator while he hasn't been active po-

AYRSHIRES WIN HONORS

By averaging 757 pounds of 3.98 per cent., 30.10 pounds of butter-fat in March, the 113th Ayrshires owned by Penshurst Farm, Narberth, ranked among the leading producing herds of the United States, tested under the rules of the Ayrshire Herd Test, according to Advanced Registry Superintendent W. A. Kyle, of the Ayrshire Breeders' Association of Brandon, Vt. High individual honors for production were accorded Penshurst Snow White that gave 1480 pounds of milk, 74.15 pounds of butterfat, Royal's Lulu of Sunnyside that produced 1565 pounds of milk, 64.63 pounds of butterfat, and Penshurst Snowbird, second, that gave 1616 pounds of milk, 63.02 pounds of butterfat in the month.

OUT-OF-TOWNERS WIN AT DOG SHOW

Land Majority of Awards at First of Two Main Line Affairs.

Out-of-town dogs featured the Sunday winnings at the specialty show held under the auspices of the Shepherd Dog Club of Pennsylvania at the estate of George C. T. Remington on Winding Way, Merion. The show was the first of two scheduled for Merion.

The second will be Sunday, June 17, under the auspices of the Main Line Kennel Club. It will be an open all-breed affair and judges were announced this week by President Peter Barr, of Cynwyd.

They will be: Mat Korshin, all terriers, except Bostons and Manchester; Jno. Spedding, bulldogs; Manchester, beagles and remaining large breeds; Jack Rose, Bostons; Dr. Joseph D. Limquico, Shepherds; John Heiber, Doberman Pinschers; Mrs. V. J. Spindler, Poms; Mrs. William Cox, poodles and remaining small breeds, and Mrs. Charles Lehman, Pekingese.

The dog to capture the honors for first in the show Sunday was an imported specimen sporting the title of Baltazer v. Oklamunde, owned by the Gresford Kennels, of Roslyn, N. Y. Opposite sex special went to Cilly v. Peterbaude, property of Mr. and Mrs. J. A. Reynolds, of Atlantic City.

The presence of Andy Rost, of New York, who came here expressly to give the once over to the entry, totalling more than 60, coupled with the fact that Mr. Rost explained the reasons for his decisions in placing the dogs in their respective positions, proved a great thing to the fanciers and also the rail birds.

The awards Sunday were:
Puppy dogs, 3 to 6 months—Won by Smoke, Mrs. J. E. Bradley; second, Detley der Lange, E. S. De Jong.
Senior puppy class—Won by Eitel von Peterbaude, J. A. Reynolds; second, Ben Bolt, William A. McCrea; third, Budds, M. B. Unberger.
American bred—Won by Farley's Iso of the Anthracite, Mr. and Mrs. R. L. Farley, Schuylkill Haven, second, Roland of Salem, William Stader, Perkasie, Pa.; third, Gerri of Willowgate, Willowgate Kennels, Princeton, N. J.; fourth, Amago of Pleasantville, W. J. James.
Open class—Won by Baltazer v. Oklamunde, G. W. Kenney, Roslyn, N. Y.; second, Forst von Alpen Korpa, Herman Kunze; third, Roland of Salem, William Stader; fourth, Bruno von Montez, E. M. Kinsey, Hatfield, Pa.; fifth, Graustein Bodo von Linsapur, C. F. Remington.
Bitches, 3 to 6 months—Won by Princess, Charles H. Parker, Gloucester Heights, N. J.; second, Gretel V. Freck, C. Schildmeyer.
Senior bitches—Won by Freda of Willowgate, Mr. and Mrs. R. L. Farley; third, Alice of Greystock, Greystock Kennels; fourth, Geb. Vened, Hertzberg, R. G. Schmol, Womins, Pa.; fifth, Hildegarde, Greystock Kennels.
Open class—Won by Cilly v. Peterbaude, J. A. Reynolds; second, Cilly v. Greystock, Greystock Kennels; third, Palisade Norma Bea, Mr. and Mrs. Raymond A. Hanna, Brookline, Pa.; fourth, Bunte of Willowgate, Greystock Kennels.
Best dog—Baltazer v. Oklamunde.
Best bitch—Cilly v. Peterbaude.
Best of breed—Baltazer v. Oklamunde.

Lower Merion High Favorite for Suburban Championship Today

The Lower Merion High track team which has swept everything before it this spring will go after another victory this afternoon at the suburban championship meet which is to be held at Upper Darby High School. The Maroon and White men with first places to their credit at the Swarthmore Interscholastics, the District No. 1 meet and the Upper Darby quadrangular are the big favorites for the Championship.

Lower Merion's favorite track team continued its championship pace this week when it swamped Radnor High by a score of 97-11, in a dual meet at Ardmore Wednesday afternoon. Only one first place was won by Radnor, and that

was the javelin throw. Merembeck was a double winner for Lower Merion, with firsts in the 100-yard dash and the 220-yard dash. Seigel won the shotput and placed second in the discus and javelin.

Ridley Park was nosed out for the championship honors in the fourth annual track and field title events of District No. 1, Pennsylvania at Lehigh University, Bethlehem, Saturday. Towards the end of a closely contested meet, Lower Merion drew away from the other schools in Class A to score 37 points. Ridley Park was second with 29, Media third with 16, Norristown fourth with 15, and 11 other teams came trailing after.

Real Estate News

The office of Durbin & Howard report the following sales: For George B. Turner, a property located at 430 Anthwyn road, to Arno Zillger, of Narbrook Park.

For Joseph Light, the property located at 219 Iona avenue to Russell S. Bassler.

No modern home is complete

without this quiet, economical, healthful refrigeration

GENERAL ELECTRIC Refrigerator

Foods full-flavored and luscious. Foods kept healthily cold and dry. Not a chance for bacteria to multiply—they flourish in moisture and warmth. The wise woman of today recognizes the importance of serving food that not only tastes good... but is thoroughly sound and fresh.

In the General Electric Refrigerator there is the scientifically correct temperature that makes food spoilage impossible. There is, too, the generous shelf area

that makes for economical buying.

Important, to every woman, is the fact that this refrigerator is one that needs no oiling... that has no drain pipe or connection, no mechanism underneath. All its machinery is hermetically sealed in one steel casing, intact and tested in the factory... never touched after once it leaves. Come in and see the various models. Study them from every possible angle. Your interest will be welcome. Time payments, if you wish.

Write for a booklet which gives full descriptions.

Exclusive Main Line Distributors

STROEHMANN BROTHERS CO., Norristown, Pa., have replaced almost completely the Schoeller Bakery which we acquired last February. We have remodelled this Old Landmark; we have added a new building; and we have installed new and modern equipment.

During three months of strenuous and costly activities we have had in mind always the completion of a bakery that would be a credit to the old and stable as well as the Largest Borough in the United States.

♦ ♦ ♦

Now, we are ready to operate in a building that gives us every facility to insure the people of this section of a service they are entitled to receive from us, and which we shall always do our utmost to render to their satisfaction.

♦ ♦ ♦

And right here we wish to say that at any time any of you personally, or any organizations that are interested in checking up our production methods—feel inclined to visit our Bakery, it will be our pleasure to open wide its doors and let you inspect every nook and corner of it.

We do a lot of checking on our own account of all the factors—human and mechanical—that enter into the operation of our Bakery, and we welcome a check-up of ourselves by the public.

♦ ♦ ♦

We admit that we have a hobby as to the kind of Bakery we operate.

This hobby was drilled into us by our father under whose guidance we acquired not only our technical knowledge of the baking business but who taught us the necessity of keeping our ears to the ground for anything new that came along to improve baking methods and to insure better production.

Himself a progressive of great intensity, he was always quick to adopt innovations that would help him to serve the public with as good products as it was humanly possible to make them. The public—the consumer—always had his first consideration.

He always emphasized the need of our taking counsel of experts in all the branches of the baking business, so that when we thought we had some good ideas we should submit them, and then we would quickly learn whether they could be converted into definite, concrete, practical plans.

♦ ♦ ♦

Therefore, when we started in the baking business on our own hook at Williamsport, we remembered our father's advice. We had visited many up-to-date Bakeries in different sections of the country. We gained

a great deal of valuable information. Naturally we formed some ideas of our own as to what kind of a Bakery we should have in Williamsport.

♦ ♦ ♦

Here is where our affiliation with Quality Bakers of America proved of great value to us.

This organization maintains a Service Bureau which retains men and women experts who are qualified by experience to advise members on all matters that enter into the baking business.

Their services are available to all members as they are needed.

We had the benefit of their advice in the construction and equipment of our Williamsport Bakery, and we have had it here in making our Bakery in Norristown completely modern and efficient in all details.

Following the teachings of our father—keeping open-minded and always willing to learn from others—we are not making any mistakes.

We know that group talent, founded on practical experience and success, is far more effective than individual talent—no matter how expert or brilliant it may be.

♦ ♦ ♦

We feel that we are splendidly equipped in our Norristown Bakery to render everybody in this territory satisfactory service, but this does not mean that we are going to stop looking ahead.

If anything comes along—some new invention that proves practical and will improve our Bakery—we shall lose neither time nor spare any money in installing it.

We are here to serve you with the best product we or anybody else can bake.

That's fair and square, is it not?

♦ ♦ ♦

We wish you would take notice of our fleet of automobiles as they move over the highways in making deliveries.

And not only take notice of the automobiles but of the men at the wheel—our salesmen.

The character of an institution is wholly measured by its personnel—its equipment—its service.

So far as we are able you are going to get co-ordination of these factors—and, yes, you are going to get co-operation, too, all along the line—not just “say so” co-operation, but practical, helpful, sincere co-operation.

Kew-Bee Bread, now being served to the people of this section, is the loaf that members of Quality Bakers of America agree is the best loaf that their united talents and experience can produce. When you know, as we do, how good the Kew-Bee loaf of bread is, you'll thank us for locating our Bakery in Norristown, from which central point we are equipped to serve all homes for 25 miles around or more.

ALL ARE HERE

Library Patrons Share All the Advantages of the New Book Clubs.

No one can read the current book advertising pages without becoming aware of the various book clubs which each month make selections from the current books to recommend to their members. The best known of these clubs are the "Book-of-the-month Club," the "Literary Guild" and now the "Crime Club" which specializes in mystery stories.

Admission to these clubs is open to anyone who cares to pay an annual subscription fee usually amounting to at least \$18. For this fee a member receives each month the book chosen by a competent board of so-called judges or editors.

The books thus selected are placed on general sale at the same time that they are sent to the members of the club, and while the local library does not always follow blindly the selections of these clubs, it is usually true that the books which they do select are those which any progressive library would be buying, and which any discriminating reader would desire. The clubs therefore do render a general service in that their competent judges frequently indicate with accurate judgment a book which many people might otherwise discover in a slower and less certain way.

For example, the Narberth Library now has available for readers the following selections for the month of May:

"The Closed Garden," by Julian Green (Book-of-the-month).
"Catherine Paris," by Princess Marthe Bibesco (Literary Guild).
Gore Browne (Crime Club).
"In Search of a Villain," by Robert

CLUB ENDS SEASON

CONTINUED FROM THE FIRST PAGE

A musical tea was given by the Music Study Class on Friday, May 11, at the home of Mrs. Arthur Staples, 124 Woodside avenue. Soprano solos by Mrs. Harry Banks, accompanied by Mrs. H. G. Venemann; contralto solos by Mrs. John Hipwell, of Philadelphia, accompanied by Mrs. H. S. Hipwell; piano duets by Mrs. Venemann and Mrs. Hipwell with recitation by Mrs. Evelyn Patton Weaver formed the entertainment. Mrs. Charles H. Shaw poured tea, which was served by members of the music committee.

On Friday evening, May 11, at the home of Mrs. Robert J. Nash, the Junior Department entertained the Board of Directors and the Executive Board of the club at a musicale and bridge. The artists were Nina Prettyman Howell, violinist; Lew Howell, baritone, and Jean Howell, their daughter, pianist. Violin solos and baritone songs and arias were followed by two interesting recitations by Mr. Howell. "The Highwayman" by Meyes, with music arranged by Mrs. Howell, and "Roses of Yesterday," a translation from Turgenev, with music arranged by Nicolas Douty. The Juniors presented Mrs. Boileau, chairman, with a fine blue glass water jug as a parting gift. There were seven tables of bridge and later refreshments and prizes.

TELLS OF UTILITIES

Ehmann is Balcynar Rotary Speaker.

R. F. Wood Scheduled Next.
Edwin W. Ehmann, Main Line Assistant Manager of the Philadelphia Suburban-Counties Gas and Electric Company and member of the Main Line Kiwanis Club, was the speaker at a meeting of the Bala-Cynwyd-Narberth Rotary Club held Tuesday in the Cynwyd Club. He discussed government ownership of public utilities, and the relation of gas and electricity to the community. Another feature of the meeting was a talk on "Mother" by Rev. Frank S. Gray.

A member of Al Hoxie's harmonica band played classic and modern selections for the members. Guests included Adam W. Montgomerie, leading Scottish dairyman, who was a guest of Dr. E. S. Deubler, Penhurst Farm superintendent, and Harry T. Leedom and John W. Phillips, of the Ardmore National Bank.

Robert Fellows Wood, Narberth, advertising manager of the Autocar Company, Ardmore, will be the speaker at Tuesday's luncheon, which will be in charge of Ralph S. Dunne's Business Methods Committee.

GILFILLAN CAMP

Swimming Club

Spring Lake

Paoli, Pa.

The primary object in joining a club of this kind is that one may go there for a couple of hours in the evening for some real exercise and relaxation or enjoy a whole day in the great outdoors.

Spring Lake, because of its accessibility to the Main Line and its natural beauty, makes it irresistible. The location, combining the attractions of woods and fields, provides ideal picnic spots. The lake affords quiet, shallow water for canoeing. There is a beach for timid swimmers and beginners, and for the more advanced swimmers and divers every facility for water sports, tennis, basketball and other sports is offered. The year-round membership includes ice-skating privileges.

There is health in the great outdoors—health in its fullest sense—physical, mental, spiritual. Our late President Roosevelt said: "To be fit mentally, one must be fit physically." This exclusive little place will serve the latter purpose.

Adults, \$10.00; six to sixteen years, \$5.00. Children under twelve years of age must be attended by adults. Guest, accompanied by member, 50 cents. Special rates for families. Swimming instructions, six lessons for \$5.00.
